## What we do

We are the largest dedicated Reward, Analytics, HR Technology and Global Mobility team in the UK. As a team we are highly experienced and cover junior roles all the way through to heads of and director level positions. We have dedicated team members split across all industries and specialist consultants looking at permanent, fixed term contracts and interim hires.

## Our specialities

- Reward
- Compensation
- Benefits
- Pensions
- Share plans
- HRIS
- HR Systems
- HRMI
- Global Mobility

## About the team

As a highly experienced and well networked team we offer many services to our clients, asides from supporting with hires. We run a number of events throughout the year including our Reward Academy where we have senior leaders come to talk to our junior reward network and more senior events such as breakfast roundtables.

## What our customers say

"I have had the utmost pleasure of working with Nick Ward at Oakleaf Partnership. He was able to quickly understand my company's urgent resourcing needs and he managed to secure me a top interim candidate to support the time sensitive delivery of a job evaluation project for one of our clients. His personable and professional approach is first class, and I am particularly impressed with his ability to match our requirements, including budget, with the most appropriate candidates."

"I want to express my deepest gratitude for your support and guidance throughout the past six months. Your expertise and dedication were instrumental in helping me navigate the job search process and for this I am incredibly grateful! I'm truly grateful for the time and effort you invested in me, and I'll never hesitate to recommend you and Oakleaf to anyone seeking assistance. Your professionalism and genuine care for me make me feel special! I'm confident that this new chapter will be both challenging and rewarding, and I'm eager to embark on this journey. Please know that I'll always consider you a valued mentor and friend."
